

Coffee Rota – January to April 2020

Listed below is the coffee rota for January to April 2020

If you cannot manage the duty assigned, please ask amongst others on the rota if they could help or ask someone you know that is not on the rota. You never know they may like to help in the future.

Please also alter the list at the back of the Church.

Only in an emergency contact a warden – a list of telephone numbers is given overleaf.

Each team is responsible for SUPPLYING THEIR OWN MILK a sponge for washing up is now provided. Usually two pints only are required but, if there is a special service (*as indicated*) which may attract a larger congregation, more milk may be needed and you are asked to use your discretion. Please take your expenses for the milk out of the donations. All provisions are kept in our own locked cupboard in the kitchen – this will be unlocked by the Warden on duty before the start of the service.

If supplies run low please leave a note in the PARISH OFFICE pigeon hole for replenishment!
